The petition for revival under 37 CFR 1.137(b) filed 07 April 2006 in the above-captioned application is hereby **GRANTED** as follows:

Applicant's statement that "the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional" satisfies the requirements of 37 CFR 1.137(b)(3).

Applicant has previously submitted the basic national fee, and the requirements of 37 CFR 1.137(b) have been satisfied. Therefore, the request to revive the application is granted as to the national stage in the United States of America.

This application is being referred to the National Stage Processing Division of the Office of PCT Operations for further processing in accordance with this decision. The date under 35 U.S.C. 371(c)(1), (c)(2), and (c)(4) is 11 August 2004.¹

¹ 11 August 2004 is the date on which the USPTO received the wire transfer payment of the basic national fee. Due to a typographical error, the previous decision herein (mailed 17 February 2006) incorrectly identified the receipt date of this payment as 11 August 2005. It is noted that correction of this typographical error does not effect the prior decision's conclusion that the basic national fee was paid after expiration of the thirty-month deadline on 09 August 2004.
